## OUR TRIP TO WEXFORD

Last Saturday saw our first match of the season when all age groups made the short trip down the N11 to Wexford. The fine weather contributed greatly to an enjoyable day.

Huge numbers were present from Enniscorthy and the support on the sidelines for our young players was clearly evident.

All coaches reported great team performances and it appears that the training so far this season is certainly paying off.

The club would like to express their appreciation for the hospitality shown by Wexford, both on and off the pitches.

**Jackpot: €2,500**

## UPCOMING FIXTURE

Next Saturday, October 17th, sees the visit of **Waterpark** from Waterford. We played Waterpark, home and away last season, the fixture proving a great success and it is hoped that this fixture will remain for many years to come.

We have also rescheduled our south-east match with **Tullow** to coincide with Waterpark's visit - so the club will certainly be a busy place on the 17th.

**Therefore, we would look for parents to provide sandwiches, biscuits, cakes - whichever is convenient - for post-match refreshments for all players on the day.**

## INTERNATIONAL TICKETS

Members are reminded that they can apply for International Match Tickets through the club. Application forms are available in the clubhouse.

## TRAINING

Don't forget to bring water with you on Saturday mornings - no fizzy drinks. Also don't forget your **GUM SHIELDS**

## FLOODLIGHT MATCH

The club have provisionally agreed a midweek fixture with Gorey RFC for our U11s and U12s. This fixture will be played under floodlights, in Gorey, within the next few weeks.

**NEXT SATURDAY**  
**October 17th at 10.15am**  
**HOME MATCH vs**  
**Waterpark**  
**and Tullow**

Don't forget - any help on Saturday mornings, be it large or small - in the clubhouse, on the pitches, transport - is always welcome, especially by the players.
