GENERAL NOTICES

Players are advised to bring water to training – NO FIZZY DRINKS please.

MEDICAL INFORMATION

Please note that parents should notify the relevant coach of any medical condition that a player may have which they feel that the club should be aware of.

VOLUNTEERS WANTED

Enniscorthy Rugby Club's Mini Section continues to require volunteers to help on or off the field on Saturday mornings during training, especially on home match days when we accommodate visiting players in the clubhouse.

Don't be shy – an offer of help - **in any form** - would always be greatly appreciated.

NEWS

We would like to welcome all new members to the club and hope this is the start of a long association between player and club.

We also welcome back those players returning for another season.

Of course, last year's under 12 have now moved on to youths rugby where they will experience the 15-man game for the first time. We are confident that they, like previous teams, will adapt quickly.

Well, what do we have to look forward to for the forthcoming season?

Of course we will have our usual blitz days with each of the other nine clubs in the Leinster South-East area along with our customary home and away fixtures with Waterpark of Waterford.

Further fixtures including the Kettle (u10), Coyle (u11) and O'Daly (u12) Cups will be arranged as the season progresses. It is our intention to keep everyone notified of upcoming events and fixtures as they arise by future Newsletters and via text messages. In this respect it is important that the club has a current phone number to which texts may be passed on to. All relevant information will also be maintained on the Mini Rugby Notice Board in the clubhouse.

As in previous seasons, the clubhouse will remain open during training on Saturday mornings. Coffee or tea is available and ALL parents / guardians are urged to use the clubhouse where they can meet coaches and other parents over a cuppa.

Parents are asked to consider remaining at the club during training - it is important both for the player's development and the helpful connection between parent and club.
